PRESIDENT'S MESSAGE

"Summer et al..."

On May 18th RNSC was represented at the Outdoor Expo held in Mendon Ponds Park. To my surprise there was a small mound of snow waiting for us at our booth. Well, the joke was on the pranksters when it really started to snow!!! When we threatened to start offering skiing demonstrations, we were nearly run off the beach. Soon the snow turned to a cold rain and the threat of banishment was lifted. Good thing since we had a very good turnout.

Summer looks like it is finally here. Since we had a couple of months of summer during the winter maybe we will get a few months of winter during the summer?? Just think of it, these really long daylight hours could lead to some wonderful skiing. (Recently I suffered a knock on the head which causes me to have delusions once in a while...)

On a more serious note, this May I took over for Coleridge Gill as the President of the RNSC. Coleridge, the other officers, and the board members made this transition very enjoyable. Really look forward to working with all of them over the next year. A number of these individuals have been involved with the club for a long time. Just want to offer a big THANK YOU to all of them for what they have done for this organization.

Hope to see some of you at our summer activities. A number of options are being offered, maybe one of them meets your interest.

Enjoy the summer,
Mark Maas
